

All organised

Smartstore 4 level 900mm wide

Precision will take your organisation to new heights because organisation is simply about efficiency. Smartstore is so efficient we almost called it the 'personal assistant', but then we didn't want to upset anyone.

Smartstore  
Generation 2

 **PRECISION**  
Transforming work space

# Sometimes the simplest ideas are the best

Smartstore is so organised it's scary. This stunning compactum is crammed with the world's cleverest 'right at hand' interchangeable storage and filing options that think like you. Now is that scary or what?

## Features

- Ideal for all office filing and storage needs
- Fully retractable, lockable tambour doors provide a secure and tidy appearance, when closed, and allow unobstructed access to contents, when open
- Extensive range of interchangeable accessories available to suit your filing and storage requirements.
- Adjustable feet within the base allows for leveling over uneven floors
- Smooth scratch resistant powder coated finish in contemporary range of 11 standard colours\*
- Receding tambour doors in a choice of 7 complementary colours\*
- Proudly manufactured in New Zealand
- Fully recyclable; all steel unit construction
- Polypropylene and acoustic tambour slats available
- Shelves and accessories adjustable at 25mm height increments
- Lower height units available on castors
- Visit the online configurator to "build" your own Smartstore
